EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Christopher Regan on May 13, 2005.

The application has been amended as follows:

In claim 1, in line 28;

replaced "second" with -- first --.

2. The following is an examiner's statement of reasons for allowance:

Neither prior art of record nor references teach a bicycle stem comprising a tubular body portion with one end having a circular opening and a handlebar clamping portion having an opening connected thereto so that the openings are aligned with each other at the end and the other end being connected to a steering tube clamping portion; a handlebar clamping member fastened to the clamping portion; wherein both clamping member and the clamping portion have a recess and a cavity, and wherein the cavity in the clamping member which is spaced from the tubular body portion includes a width that is the same as the diameter of the circular opening.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue
